

The **2016-17** school year is upon us. We have accomplished much this year with Sheila Dunleavy as our principal. We are celebrating our 179th year! We continue to flourish because of an incredible group effort. Like many, we realize the journey ahead of us is a long one.

Most Holy Trinity School celebrates educational excellence and spiritual development! Thanks to you, our campaign continues to be a great success. In sixteen years we have raised four million dollars: half in tuition assistance, books and supplies and the balance from in-kind renovations to the schools interior and exterior.

We welcome you to continue to join us in securing the future of this exceptional school. Miracles are possible because of your generosity and the legacy of service begun years ago by **Monsignor Clement Kern, Monsignor Russell Kohler and carried on today through the efforts of Monsignor Charles Kosanke.** As you know, Most Holy Trinity School is a flower garden of race, faith and culture refreshingly united as one since **1838.**

We refuse to become an inner-city Catholic school statistic. We do not want to become a charter school and forsake the very reason why we continue to be such a success – **spirituality!** Through your dedicated service and financial help, Most Holy Trinity School has been blessed and has flourished.

Now in our sixteenth year of our development campaign, we need your help to continue to:

- **Computers**
- **Scholarship Assistance**
- **Pre-K Play-scape**
- **Textbooks**

We invite you to continue to help us secure the future of our school. The children are so appreciative and have such potential. With your continued financial support we will fulfill our mission of providing a solid education and spiritual foundation for this community. **Please remember we are a 501(C)(3) and all donations are tax deductible.**

We cannot express the magical feeling one gets from a simple visit of our school. The testimonials of parents, students, and alumni warm your heart. Please visit us at anytime. We promise Most Holy Trinity School will touch your heart and awaken your soul.
